

PRESS RELEASE

2 November 2010

Hubstart Paris® will be exhibiting at the Air Cargo Forum to be held from 2 to 4 November in Amsterdam

The Air Cargo Forum, organised by The International Air Cargo Association (TIACA), brings together all the stakeholders in the air cargo sector, including airports, airlines, handlers, logistics companies, forwarding agents and the media.

Visit the Hubstart Paris® stand 11.002 (hall 10) and meet representatives from Aéroports de Paris, Air France, TLF Overseas (the air freight forwarders trade association), Roissy customs and the Paris Region Economic Development Agency.

Hubstart Paris® will be showcasing the major advantages of the Greater Roissy airport complex and its air cargo sector:

- Paris-Charles de Gaulle, Europe's leading freight hub,
- The largest connection platform in Europe,
- A unique European triple hub, comprising the Air France-KLM hub, FedEx's European hub and one of Europe's largest postal hubs,
- The presence of some of the biggest names in freight within the Hubstart Paris territory (DHL, TNT, UPS, SoDexl, SDV, UTi, WFS, Nippon Express, Kuehne + Nagel, Schenker, etc),
- Exceptional freight facilities,
- Fast and efficient customs clearance,
- Flagship initiatives such as Euro-Carex to help develop cargo services.

Hubstart Paris® will also be distributing **its new brochure on the region's attractiveness for cargo businesses: "Hubstart Paris – Gate to Air Cargo", now available for download from the new Hubstart Paris website** (under "Publications").

Visit our website www.hubstart-paris.com to learn more about what we have to offer, our key economic sectors (business aviation, logistics and freight, safety and security, business tourism and trade events, eco-business) and the support we provide to international companies seeking to develop business in the region.
